

Thank you for electing to receive your statements via Secure Statements.

Your Secure Statement Code is: R 5 W N 4 3

Enter this 6-character code in the Enrollment Code field on the Secure Statement Application.

Secure Statements are secure – you control access to them! Log into your MidWestOne Online Banking account, and you'll find electronic versions of your periodic, paper bank statements and other documents just waiting for you. Eliminate the clutter and hassle of file storage from your life with MidWestOne Secure Statements.

- Print them off whenever you need a copy instead of filling up storage space
- Your Secure Statements are archived for up to 18 months – great for when tax season rolls around!
- Immediate e-mail notification when new statements and other documents are available
- View your statements and other documents anytime, anywhere you have Internet access
- It's something you can do to help the environment
- A time and effort saving convenience that's FREE
- ****Online Banking is a requirement to receive Secure Statements****
