Rate remains the same throughout the investment period. \$1,000.00 minimum deposit to open (unless otherwise noted). Daily Balance Method is used to calculate interest on accounts. This method applies a daily periodic rate to the principal balance in the account each day. Interest will compound quarterly on all certificates of deposit 3 months and longer. Interest will compound at maturity on CDs shorter than 3 months. Rates are subject to change without notice. A penalty may be imposed for early withdrawal. Maximum \$500,000 per business entity. Public funds are excluded from CD Special offers. See Personal Banker for more details. Member FDIC.

*The rate can be increased one time during the initial term, upon customer request to bank, based on the prevailing 30 Month Investors' Option applicable rate tier. Automatically renews into standard 30 Month Fixed CD product.
