\* Accounts not meeting the minimum monthly qualifications will receive the non-qualifying rate. Refunds up to \$15.00 per qualification cycle will be made for domestic ATM surcharges paid as well as Non-MidWestOne Owned ATM Usage Fees. Credit is applied on statement cycle date for current month. Must qualify for Power Rate to receive this refund. ATM surcharges greater than \$4.99 are not automatically refunded and require the presentation of a receipt for refund.

\*\* This relationship includes personal checking, savings, certificate of deposit and IRA accounts, as well as current balance on consumer loans. Residential real estate loans, Demand Deposit Loans and Fresh Start loans are excluded from relationship total. Relationship total is determined by adding average statement cycle balance on all depository accounts plus the current balance on consumer loans.

Rates may vary on above accounts. Daily Balance Method is used to calculate interest on accounts. This method applies a daily periodic rate to the principal balance in the account each day. Interest will compound monthly on all checking, money market and savings accounts.
